Application to Attend Dias con Cristo
Northern Nevada-California Secretariat

Sponsor Form

Sponsor's name: _____ **Candidate name:** _____

Duties of a Sponsor: Being a sponsor is a commitment not only to the candidate, but also to the Dias con Cristo Community.

- You must know the candidate, preferably well. The weekend is not a solution for people with deep personal problems, alcohol/drug addictions or for those in the middle of a personal crisis. Naturally, those who have come to terms with such difficulties are welcome to apply to attend.
- Plan to provide transportation to and from the weekend. Reach out after their weekend to provide support, including attending the Welcome Home Ultreya and finding an apoyo group.
- Be Honest!! Your candidate needs to know that a weekend is a very busy and intense learning experience in Christianity. Explain the basic format of the weekend without giving away any of the fun surprises! **SECRECY HAS NO PLACE IN DIAS CON CRISTO!**
- If you are working the weekend, your candidate must have a co-sponsor who can provide transportation and support!
